EUROCRIME SRL RESEARCH, TRAINING AND CONSULTING

is an independent, international think tank specialising in:

- Security
- European planning: development, management and participation in EU-funded projects

Our activities:

- **Research**
Our European and international research projects and activities span various fields, such as counter-terrorism and security, infrastructure security, and urban security.
- **Consulting**
We provide public and private clients with a wide range of consulting services on security and European funding.
- **Training**
We offer personalised seminars, training courses and workshops focusing on security, and European funding and planning. Training times and lengths can be customised to fit your needs.

RESEARCH AND CRIMINOLOGY

EUROCRIME SRL is involved in numerous European and international research projects. EuroCrime regularly publishes studies in leading scientific journals, and participates in international conferences.

Our main research areas are:

- Terrorism and radicalisation: analysis, fighting and prevention
- Piracy and Maritime Terrorism
- Problem-Solving Crime Analysis
- Risk Assessment and Management, Disaster Resilience and Recovery
- Intelligence and Strategic Risk Mapping
- Strategic Analysis and Security Design
- Transnational Organised Crime
- Urban Security and Crime Prevention
- Protection of Cultural Heritage, via our specialist Arts & Security branch
- Conflict Analysis and Management
- Decision-Making and DSS
- Management of Post-Traumatic Stress Disorder and Burn-out Syndrome
- Victimology and Support for Crime Victim

CONSULTING - EUROSHIELD AND EUROPEAN FUNDS

EuroShield is the specialised division of EuroCrime Srl, dedicated to consulting services and training in preferential loans and free grants. We advise both private and public clients, at the Italian, European and international level.

We offer:

- **Consulting and Support Services**
Assistance in selecting the best funding programme for you, and preparing the proposal. EuroShield is by your side, from finding the funding that fits your needs, to writing the project, to establishing national and international partnerships, all the way to the financial reporting and project management stage.
- **Training Services**
Customized courses about European funding programmes, and project proposal writing and management. Our courses examine the specific aspects, sectors and programmes most important for your needs.
